Section 6. Hobbies / Interests

Section 7a. Criminal Convictions

Because of the sensitive nature of the duties that the post-holder will be expected to undertake, appointments are covered by the Rehabilitation of Offenders Act 1974 (Exemptions) (Amendment) Order 1986, and in accordance with the Care Standards Regulations and you are therefore required to disclose details of anything on your criminal record, (convictions, cautions, reprimands and final warnings), however long ago these occurred.

Only relevant convictions and other information will be taken into account so an adverse report need not necessarily be a bar to obtaining this position. If you have declared a criminal record and we believe this to have a bearing on the requirements of the post, we will discuss the matter with you at interview. If we do not raise the record with you, it is because we have taken the view that it should not be taken into account in deciding your suitability for the post.

Have you ever been convicted by the courts (either spent or unspent convictions), or cautioned, reprimanded, or given a final warning by the police?
