

INFORMATION ABOUT THE ST CLARE HOSPICE, HASTINGWOOD SERVICES

Due to the popularity of the hospice service in Hastingwood, the format of the St Clare services have changed slightly to previous years as we **have a lack of space and** must make sure that our patient's needs come first. Please read the following information if you are planning to attend a Light Up a Life service at the hospice:

- There is a limited number of places at each service so you need to reserve your place
- Please arrive no earlier than **40** minutes before the start time (from **3.20pm on Saturday 3rd** December and from **6.20pm on Wednesday 7th** December)
- Park at the Garden Centre across the road from the hospice. Parking at the hospice will be reserved for our patient's families and those with mobility issues
- On arrival, please visit one of our three gazebos outside the front of the hospice where we will be handing out service sheets and you can purchase candles
- The service will last approximately 20 minutes then refreshments will be served outside and **our hospice shop will be open for you to purchase Christmas cards and other items**
- Please wrap up warm and bring a torch
